

POSITION DESCRIPTION

POSITION: Team Leader (ANZCO: 423111)

RESPONSIBLE TO: Group Leader and/or Manager

Our vision: All people live well, get well, stay well. Kaiao te tini, ka ora te mano, ka noho ora te nuinga.

Our mission: Working with the people of our community to promote, encourage and enable their health, wellbeing and independence

Our Values – Ā Mātou Uara:

Respect: We care about, and will be responsive to, the needs of our diverse people, communities and staff.

Innovation: We will provide an environment where people can challenge current processes and generate new ways of working and learning.

Teamwork: We create an environment where teams flourish and connect across the organisation for the best possible outcome.

Integrity: We support an environment which expects openness and honesty in all our dealings and maintains the highest integrity at all times.

PURPOSE OF THE POSITION

The Team Leader role combines direct hands on support for people with a range of administrative and supervisory functions including:

- Provide support services to people with a disability with respect, courtesy and dignity.
- Through active person centred services oversee Support Workers in facilitating opportunities for the people we support to live the life they want and promoting self-determination of choice, power and control.
- Ensure quality of life outcomes for people we support through coaching and mentoring Support Workers.

Vision: Supporting people to live well.

Aim: We support people and whānau in our community who live with disabilities to maximise their health, wellbeing, community participation and inclusion. We do this in alignment with 'Enabling Good Lives' by developing strong connections with our community by a team that supports people to be the key decision makers on anything that impact on their lives.

DSS guiding principles

People's choice – People are supported to make decisions everyday about how they live their lives; the person is in the driver's seat; usual life outcomes; *'Enabling Good Lives'*

Partnerships & collaboration – building relationships right across the organisation and work as one team; strengthen collaboration with other providers and services

Focus on equity – improved access; reduce inequity; maximise health and wellbeing; promote and celebrate diversity

Communications – people, whanau and the workforce are well connected; our teams are IT confident and competent

Quality – valued workforce; shared learning; evidence based; funding fit – affordable and sustainable

Culture – Appreciate diversity and culture; ensure the service is people and whanau friendly with a customer service orientation

- Mental activities necessary include communication, practical, analysis and decision-making and organisational skills
- The workload can be variable with unpredictable intensity, requiring flexibility and strong personal coping skills and resilience.

APPENDIX 1

General Responsibilities of an Employee of Nelson Marlborough Health (NMH)

1. Professional Responsibilities

As an employee of NMH you are required to:

- Maintain any qualifications, including registrations and practising certificates, required for legal and safe practice.
- Keep yourself up to date on knowledge, best practices and legislation relating to your work.
- Make a personal contribution towards effective and efficient working relationships within your team and with other NMH departments.
- Ensure you carry out your work in a way that is customer-focused and meets professional standards.
- In conjunction with your manager, identify your own training needs and plan to meet these needs.
- Manage your own time and prioritise your work effectively.

2. Health, Safety and Wellbeing

- Compliance with all health and safety legislative requirements.
- Compliance with the ACC Partnership Programme requirements.
- Compliance with all organisation-wide health and safety policies and procedures.
- Compliance with the Health and Safety Manual, any relevant chemical information and the emergency plan.
- Work is carried out in a healthy and safe manner and others are encouraged and assisted to work in the same way.
- Unsafe workplace conditions/practices (hazards) are identified, reported and mitigated/rectified early.
- Knowledge of identified hazards is kept up to date.
- Reportable event form is completed (via *Safety First*) for any accident or injury which has taken place at work, ensuring, in the case of injury, that your supervisor or manager is notified within 24 hours.
- Co-operation, support and promotion of occupational health and safety actions and initiatives in the workplace.

3. Right to Raise Concerns

- All employees of NMH are expected and encouraged to immediately ask questions, and raise any concerns/issues with their colleagues at their place of work, particularly if the care of a patient could potentially be compromised.
- All staff are expected to act professionally and to actively listen to the concerns or opinions of others being raised at the time.

4. Child Wellbeing and Protection

NMH is committed to identifying, supporting and protecting vulnerable children. The prevention of abuse and enhancing the wellbeing of children and their families aims to keep vulnerable children safe before they come to harm so they can thrive, achieve and belong. As an employee you are required to comply with all relevant legislation e.g. the Vulnerable Children Act 2014 and the Children, Young Persons and their Families Act 1989. You are also required to:

- Contribute to and support the organisation's strong commitment to a child centred approach to protect children across the region.
- Act at all times in the best interest of the children and young people, putting their interests first.
- Ensure collaborative working practices and recording and sharing of information to address abuse, suspected abuse or disclosure of abuse in a timely and appropriate fashion.

5. Legislation, Regulations and Board Policies

You are required to be familiar with and adhere to the provisions of:

- All relevant acts and regulations
- All Board, hospital and department policies
- All relevant procedure manuals
- The “Employee Obligations” within NMH’s Disciplinary Policy.

6. Confidentiality

You are required to:

- Adhere to the Privacy Act 1993, the Health Information Privacy Code 1994 and subsequent amendments in regard to the non-disclosure of information.
- Maintain strict confidentiality of patient, applicant and employee information at all times.

7. Risk Management

You are required to:

- Support and promote actions and initiatives in your work area which enable risks to be identified and eliminated or reduced.
- Be especially aware of those risks which have high cost or safety implications.
- Complete an accident/incident report for any accident, incident or near miss which has taken place at work.
- Respond to complaints according to appropriate policies.

8. Security

You are required to:

- Wear your identification badge at all times when on site or when carrying out official duties.
- Notify Human Resources of any changes required for your ID badge.
- Report any suspicious or unusual occurrence to the security officer, orderly or telephone operator.
- Complete an incident report for any incident which has or might have compromised the safety of staff, patients and visitors.

9. Treaty of Waitangi

NMH is committed to its obligations under the Treaty of Waitangi. As an employee you are required to give effect to the principles of the Treaty of Waitangi: Partnership, Participation and Protection.

10. Smokefree

NMH is a Smokefree Organisation. This applies to all staff and contractors working within NMH buildings, grounds and vehicles. Staff are required to comply with the policy and ensure all visitors, patients and others are informed of the policy. This also applies to NMH staff employed on Board business in the community.

Please sign below to confirm that you have read, understood and agree to the responsibilities and expectations outlined in this position description.

Signed: Date:

APPENDIX 2

The preferred candidate is required to complete a Pre-Employment Health Questionnaire. The table below outlines the tests to be carried out - depending on the nature of the position applied for.

Condition	Information to include in Position Description
TB Active	No person with active pulmonary or laryngeal tuberculosis (TB) is allowed to be at work in NMH
TB Latent	Staff who expect to have contact with patients or infectious materials must have assessment of previous TB exposure at the time of employment
BBV	No person who is susceptible to hepatitis B is allowed to have contact with patients or human materials (e.g., blood) unless they have taken part or agree to take part in a blood-borne virus education, prevention and vaccination program
MRSA	No person colonised or infected with methicillin-resistant <i>Staphylococcus aureus</i> (MRSA) is allowed to work in clinical areas ¹ New staff who will be working in clinical areas should be screened for MRSA if they have: <ul style="list-style-type: none">• a chronic skin condition• been working in an overseas healthcare facility in the last year• been MRSA-positive in the last year
Skin	No person with a skin condition that by virtue of its site and type could be an infection risk is allowed to have contact with patients, food, microbiology samples or sterile items
Measles/Rubella	No person who is susceptible to measles or rubella is allowed to have contact with pregnant women.
VZV	No person susceptible to varicella-zoster virus (chickenpox) is allowed to have contact with newborn babies or pregnant women
EPP	No person who has detectable hepatitis B e antigen or high levels of hepatitis B virus DNA in their serum is allowed to undertake or assist with exposure-prone surgical procedures ²

¹Clinical areas include inpatient medical and surgical wards (includes Medical Units, AT&R Units, Surgical Wards, Paediatrics, Day Stay, Neonates and Women's Health). Screening does not apply to staff working in outpatient areas (e.g., clinics, Radiology, Respiratory Function lab) or in DSS, Mental Health or Drug and Alcohol services (transmission of MRSA is less likely and infection is rare in these sites.)

²Exposure-prone surgical procedure = a procedure where there is the potential for direct contact between the skin (usually finger or thumb) of the health care worker and sharp surgical instruments, needles, or sharp tissues (spicules of bone or teeth) in a blind or highly confined anatomic site such as a body cavity or in poorly visualised and/or confined body sites. Such sites include body cavities encountered during emergency and trauma procedures, abdominal, cardiothoracic, obstetric/gynaecological, orthopaedic and oral surgery.
